**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a gorge net customer for many years and want to keep their service. They were the first ones to realize the Columbia Gorge needed internet service, and provided it. They give superior service and care about their customers. Even when I moved out of the area, I chose to keep Gorge Net. They have always kept my cost reasonable, which is important to me as a senior citizen on a fixed income. I do not want any other provider.
